**2022 General Secretary emeritus report**  
**Rob Sternberg April 12, 2023**

This year, as a member of the Executive Board, I participated in a majority of the online meetings of the Executive Board.

With the endorsement of the Board, I collated and submitted a nomination for the 2024 SAA Fryxell Award for Interdisciplinary Research in the category of Physics.

On behalf of SAS, I sponsored a coffee hour for the conference on *Frontiers in Archaeological Sciences 3: Rethinking the Paradigm*, hosted by the Archaeological Science Group at Cornell, the Cornell Institute of Archaeology and Materials Studies (CIAMS), and the CIAMS Anti-colonialism and Anti-racism Interest Group. I wrote comments to be read at the coffee hour.
