

Society for Archaeological Sciences
2019 General Secretary emeritus report
Rob Sternberg May 5, 2020

This year, as a member of the Executive Board, I participated in a majority of the online meetings of the Executive Board.

As the SAS liaison, I had some interaction with John Wiley about the SAS-sponsored *The Encyclopedia of Archaeological Sciences*. On behalf of SAS, I have inquired about continuing to offer some access to the *Encyclopedia* for new members.

I coordinated a nomination for the SAA Fryxell Award for Interdisciplinary Research for 2020. This nomination was not successful for the current year.

I supervised a by-laws revision committee appointed by SAS President Popelka-Filcoff. The committee consisted of Rachel Popelka-Filcoff, Marcos Martinon-Torres, Michael Glascock, Ruth Ann Armitage, and Carmen Ting. Our proposal was opened for comments by the Board and general membership, and after additional revisions was approved by vote of the membership. The current by-laws can be found at http://socarchsci.org/docs/SAS_bylaws.pdf.

I am currently compiling a revised summary of the Society's working procedures.
