2023 General Secretary emeritus report
Rob Sternberg May 1, 2024

This year, as a member of the Executive Board, I participated in a majority of the online meetings of the Executive Board.

The nomination I initiated and organized for the 2024 SAA Fryxell Award for Interdisciplinary Research in the category of Physics garnered the prize. With co-chair Alessandra Pecci, I organized the Fryxell Symposium for the 2024 annual meeting of the Society for American Archaeology.

After many years of service to the SAS, I tendered my resignation as a member of the Board as of the 2024 Annual General Meeting.
